Information for Set Meal

In this package you will find two menus for you to browse through.

Please advise us of which menu you have selected at your earliest convenience. Should you wish to make any changes to your chosen menu, please telephone or call in to discuss this with a member of our dedicated team.

PLEASE NOTE:

Only 1 menu can be chosen

Once your menu of 4 starters & 4 mains has been selected, all of your guests must choose from that menu only.

There may be a price increase if more courses are included or if more expensive dishes are added.

We also require a food pre-order. We ask that guests using this package provide us with a complete order one week prior to their event. At this time please also advise if any of your guests have special dietary needs/allergies.
